Terms and Conditions of Sale.

Payments.—Twenty-five per cent. to be paid in cash immediately after the animal is sold, or the sale may be declared void, at the option of the seller. The balance of the purchase money, together with the keeping of the animal from date of sale, to be paid in cash within two days, and before the animal is delivered. And if the balance is not paid or satisfactorily secured within said time, the twenty-five per cent. will be forfeited, as an agreed liquidation of damages, and the sale be void.

Warranties.—When an animal is warranted, the fact and particulars of the warranty will be proclaimed by the auctioneer, otherwise animals are sold with all faults and defects, and nothing warranted except right and title to the property. The money received for warranted animals will be retained by us until Friday, February 19, at twelve o'clock M. (unless the animal is previously delivered), to enable buyers to verify warranties, and if the same are not valid, the money will be refunded and the sale canceled. But the warranties must be tested and decided before the horses leave our possession, after which our responsibility ceases and we are at liberty to pay the money to the owner. When a warranty is challenged, we reserve the right to appoint the person who is to examine the animal, in order to determine whether said animal fulfills the conditions of the warranty or not, and the decision of the person so appointed, and no other, shall be binding upon both the consignor and the bidder, and no action at law shall rest against us from either party in consequence of such decision.

Pedigrees.—When given as registered, are either recorded in The American Trotting Register, or have been accepted for that purpose, but in extending thoroughbred lines we follow Bruce's American Stud Book. When pedigrees are not given as registered we use precaution to have the catalogue designate and locate such persons connected with the breeding or history of the animal as see believe will enable the buyer to verify the unregistered parts of the pedigree, except where doubtful parts are designated in the phrasingology. The word Standard implies only that the animal is qualified for (but not necessarily registered in) the Standard Department of the Register. Beyond the fact that the registered pedigrees do so comport with the Trotting Register and Thoroughbred Stud Book, and that such precautions with regard to unregistered pedigrees (or parts of pedigrees), have been taken to the best of the ability of the subscribers, no representations are made regarding them and nothing warranted.

Informal Statements.—The representations printed in the catalogue under the pedigrees commencing with the designation—Informal Statement—are received from the owners and are offered for the purpose of enabling the reader to form a reasonably correct opinion of the animals before seeing them. Descriptions as to height, age, marks and speed of horses are not claimed to be more than approximately correct, as they often depend upon estimate or memory and may not be exact. Records, trials and matters of current history and accredited report are given in the belief of the subscribers that they are correct, but bidders should examine for themselves and bear in mind that these Informal Statements are not warranted, except such parts of them as may be so proclaimed by the auctioneer.

Bids.—Where there are two or more claimants for a deciding bid, and the auctioneer is in doubt whose bid was heard, the question may be settled by putting up the animal for advance bids. After the first bid is made no advance of less than $10 each will be taken.

Settlements for Purchases.—Our business office is only kept at the place of sale during and a short time after the close of the sale each day and until 12 o'clock noon on the day following the close of the sale. If settlements are not made and orders on the Stable for the animals obtained within that time, buyers must apply for the same at our office, No. 107 John street. Payments for purchases cannot be made at the Stable. The Stable will not deliver animals except upon orders from the office.

Delivery and Keeping.—Buyers must procure from our bookkeeper, for each animal purchased, a separate order on the Stable, and the orders so obtained should be placed in the hands of the person or agent who is to remove the animals. WE PARTICULARLY REQUEST BUYERS NOT TO LOSE THESE ORDERS, AND NOT TO FAIL TO SEND THEM WITH THE PERSON WHO IS TO REMOVE THE ANIMALS. Deliveries will not be made on orders written by the buyers, as the Foreman of the Stable does not recognize such orders. Buyers assume all expenses on animals after they are struck down. No charge for keeping will be made on animals removed on the day sold. Thereafter a charge for each animal will be made of $1 per day in open stalls, and $1.50 per day if a box stall is occupied. Buyers will pay these charges to the Foreman of the Stable on removing the animals.

Peter C. Kellogg & Co.,
107 John Street, New York.

Bidders not Present.—Bidders at a distance, who write or telegraph us instructions to buy, for their account, must have the FULL AMOUNT of purchase money and contingent expenses in our hands by day of sale, in order that the transactions may be promptly closed and the animals shipped.
CATALOGUE.

The Sale will commence promptly at 10 o'clock A. M. each day.

The Horses will arrive at the place of Sale on Saturday, Feb. 13, and be subject to inspection thereafter until sold.

The Horses WILL BE SOLD (with possible slight exceptions), in the order of this Catalogue.

**Description.**—Bay; about 16 hands; hind ankles white.

**Deportment.**—Broken double and single; shows good trotting action and considerable speed with little handling; if continued in training would learn to go fast.

*Alert 737* was used in the stud but little until the past five years and consequently has but few foals older than four-year-olds, but among these several have won colt stakes, taking records from 2:47 to 2:57¾, the latter a two-year-old. Several are in training and likely to enter the list in 1892. His daughters should prove great brood mares as his dam and second dam were very noted in their day.

*Trusty* is dam of Deucalion 2:22 (sire of 6 in the list, including Leicester 2:17½), Scotland Maid 2:28½, and John Love 2:28½.

PROPERTY OF GEO. A. REYNOLDS (FORREST HILL STOCK FARM),
UTICA, N. Y.

[SPECIAL.—Richard 1456 (full brother to St. Patrick 2:19½ pacing at five years, and out of the dam of Monroe 2:27½) is a horse possessing great style and beauty and is by Volunteer, the sire of many great campaigners that are noted for courage and endurance, and winners of numerous races of five, six and seven heats each. Richard’s get already indicate that he will prove, with opportunity, as great a sire as other distinguished sons of Volunteer have already done; of the forty colts and fillies that I have raised and sold by Richard, all that have been trained for speed have shown great promise; from information received from their owners, fully six in number will receive records of 2:30 or better the coming season. All of Richard’s get show that they are natural trotters as soon as broken. Richard is a horse of fine action and great speed, and with little training has shown trials on my half mile track in 2:28, and if prepared could show 2:20 or better. Geo. A. Reynolds.]
